NOS PRODUITS

A photograph of a white, corrugated metal gate or portail set against a background of green trees and a light pole. The gate is closed and has a slightly curved top. The background shows a dense line of green trees and a tall, thin light pole. The overall scene is outdoors, likely in a park or a residential area.

PORTES & PORTAILS

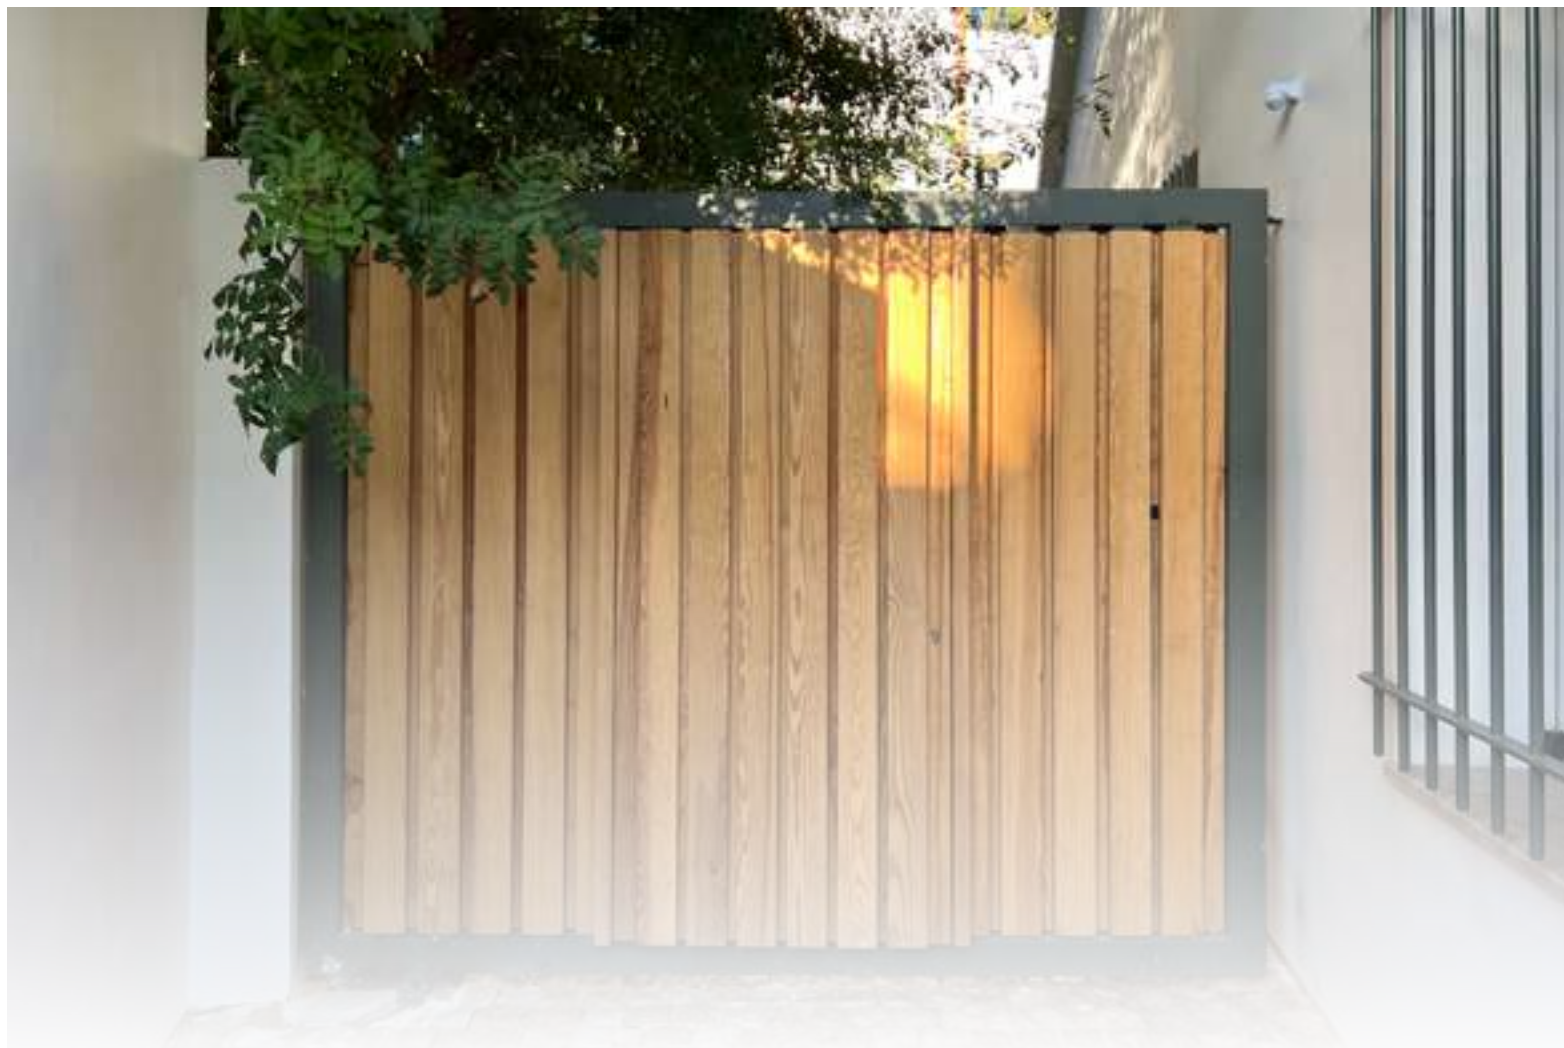

A photograph of a large, white, sectional garage door on the side of a building. The door is closed and has a horizontal ribbed texture. The building's roofline is visible above the door, and the sky is in the background. The text 'PORTES' is overlaid in the bottom left corner.

PORTES

SECTIONNELLES

PORTES SECTIONNELLES

The background image shows a parking lot with a white barrier arm in the foreground, partially raised. Several cars are parked in the background under a clear blue sky. The text 'GESTION DE PARKING ET BARRIÈRES' is overlaid in a large, blue, outlined font.

GESTION DE PARKING ET BARRIÈRES

CONTRÔLE D'ACCÈS

The background is a faded, semi-transparent image of an ornate wrought-iron gate. On the left, a tall lantern stands on a small platform. Through the gate, a person is visible in the distance, and a large evergreen tree is on the right. The overall tone is light and airy.
